

MAX ABLE

PROFESSIONAL SUMMARY

I am currently working as a radio producer at ESPN Louisville. My primary responsibility is producing the afternoon drive show, "The Round Table with Round Daddy." I have also gained on air experience at ESPN Louisville as a fill-in co-host and I've broadcasted high school basketball games that we've carried.

I have been broadcasting college baseball since 2022, making stops at Bellarmine University, Centre College, and Spalding University. Last summer I worked for the Great Falls Voyagers of the Pioneer League as their radio broadcaster.
